PARTS LIST

No.	Description	Qty
(1)	Top box	1

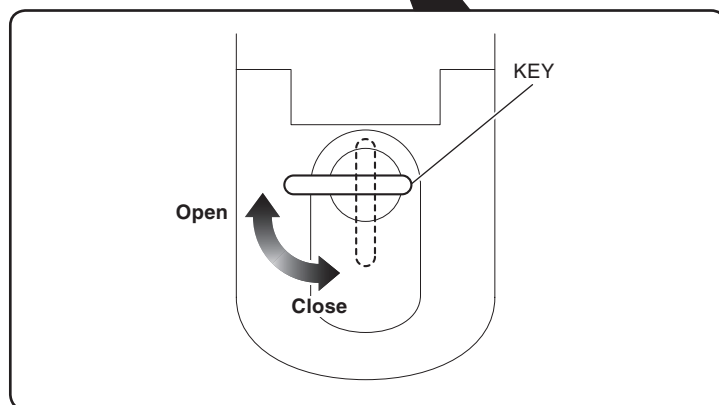

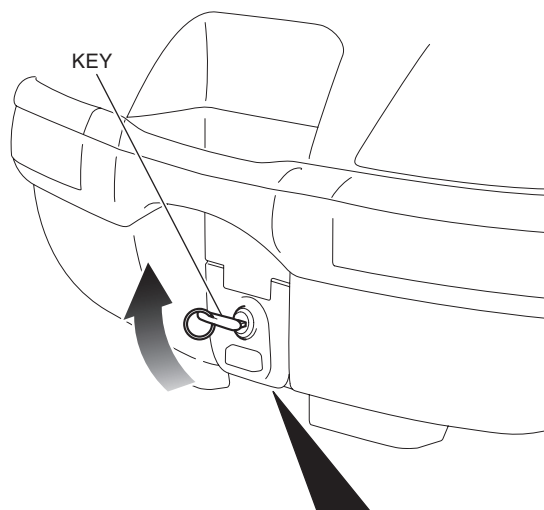

USE AND CARE INFORMATION

- The total weight of the top box and cargo must not exceed the maximum weight capacity of the rear carrier bracket:

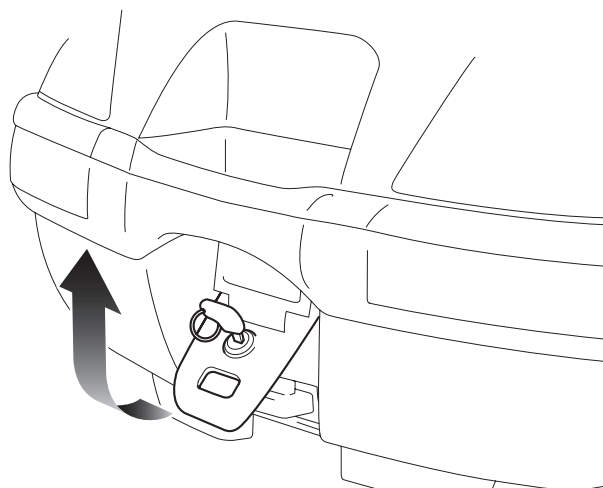

Top box	
Loading Capacity	Subtract the top box's empty weight from the rear carrier's capacity.
Top Box Empty Weight	11 lbs (5 kg)

How to Open and Close the Top Box

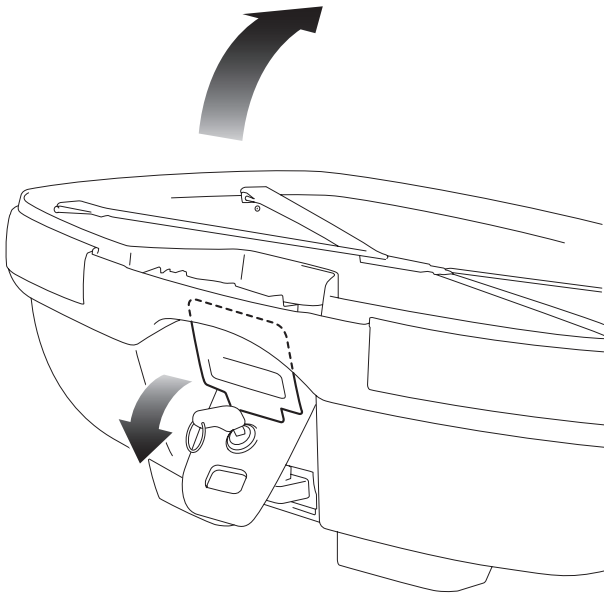

- Turn the key clockwise.

- With the key turned to open, pull the latch up.

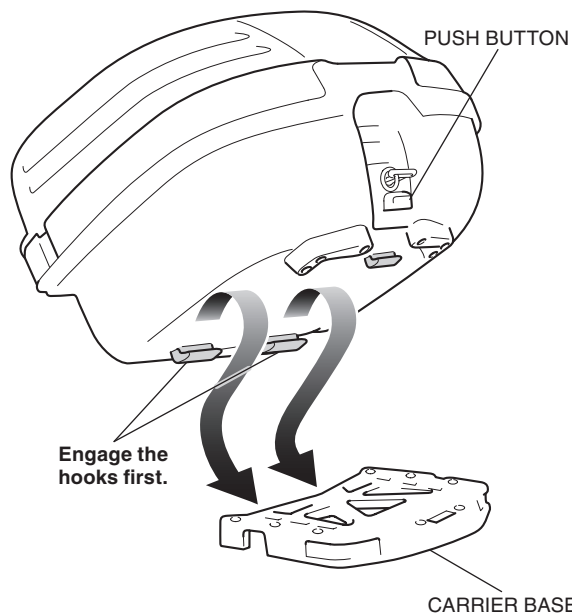

3. Pull the latch down. The lid can now be opened and closed.

How to Install the Top Box

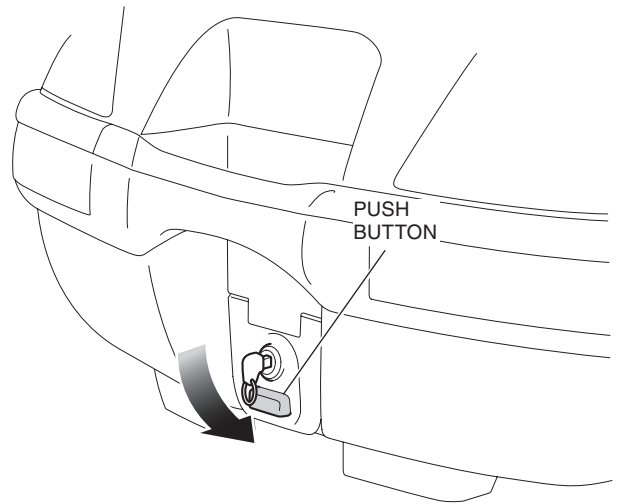

1. Install the top box on the carrier base.

NOTE:

- Make sure the top box is fully secured by checking that the push button is popped out fully.

2. Turn the key counterclockwise to lock the push button.

3. Check that the top box is installed securely without play or rattle.

How to Remove the Top Box

1. Turn the key clockwise and push the button. Lift the top box upward away from the carrier base while pressing in on the push button.
